Glorifying Jesus Christ • Equipping Believers • Advancing His Kingdom

From the Bishop's Desk

A Vision Greater Than Ourselves

Greetings in the wonderful name of our Lord and Savior, Jesus Christ!

I believe God has called every believer to something greater than simply attending church. We are called to know Jesus Christ, grow in spiritual maturity, serve others, and participate in advancing His Kingdom.

At Houses of Worship International Christian Partnership, our mission is to glorify Jesus Christ and help individuals and organizations reach their full spiritual potential.

Through discipleship education, leadership development, Christian music, scholarships, and ministry partnerships, we seek to put that mission into action. This inaugural newsletter is an invitation to remain connected, celebrate what God is doing, and find meaningful ways to participate.

I invite you to pray with us, explore the resources, share them with others, and join us in developing believers who will make a difference for the Kingdom of God.

Bishop Dr. Anthony Collins

Growing Deeper in Christ

Beyond Attendance: The Call to Discipleship

"Go ye therefore, and teach all nations ... teaching them to observe all things whatsoever I have commanded you." — Matthew 28:19–20 (KJV, excerpt)

The Great Commission is not simply about gathering people. It's about making disciples. Disciples are people who know the Word, who obey the Word, who are being formed in the character of Christ and who go on to make more disciples.

Spiritual maturity is not measured by how long you have been going to church or how much Scripture you know. It is demonstrated by a life that has been transformed. It's shown by faith expressed in obedience and love lived out in service, while truth is applied in all areas of life.

This is why intentional discipleship is so important. We need to help people go from simply gaining information to actual transformation and from personal growth to spiritual multiplication.

The question for each of us is really quite simple: are we just learning about Jesus or are we actually becoming more like Him?

Collins Discipleship Institute Principle: Discipleship isn't complete when we've simply learned the truth. It's only complete when we live the truth and see that truth bear fruit in our own lives and in the lives of others.

Caleb Spiritual Excellence Scholarships | Investing in the Next Generation

Inspired by Numbers 14:24, the Caleb Spiritual Excellence Scholarships are for young people (high school seniors aged 17-19) who are committed to a life of spiritual excellence. The scholarships recognize Christian commitment, biblical understanding and thoughtful reflection on faith. We desire to help teens understand the “why” behind our faith.

The scholarship program will have ten $500 awards each year, by God’s grace. We are taking applications until January 31, 2027. Follow HOWICP for updates. For the full requirements go to https://www.howicp.org/caleb-spiritual-excellence-scholarships/

International Outreach and Ministry Partnerships | Serving Beyond Our Walls

Our mission in Mexico is continuing to meet the needs of children, families, pastors, ministry leaders, and congregations in Mexico City, Buctzotz, Cancun, as well as other areas in Mexico. Your prayers and contributions are making a significant difference in the lives of those that Christ has put in our way.

Please pray for our efforts in Mexico. We are looking to incorporate young men’s rehabilitation into part of our ministry in Buctzotz. Please pray for us to have wisdom and discernment as we continue to look for ways to have more impact for the cause of Jesus Christ.
